

CONDITIONAL USE PERMIT – MINOR AMENDMENT APPLICATION PACKET

Any approved conditional use permit may be amended or withdrawn by the applicant. Permits that are located on parcels outside of the joint jurisdictional areas have some opportunities to make minor amendments to a submitted plan through administrative review. The County Planning Director may approve minor changes to an approved plan without notice or hearings, after consideration of the record from the original public hearing on the plan.

MINOR AMENDMENT LIMITATIONS

Minor changes may include but are not limited to the following:

- Minor relocation or reorientation of buildings, lot lines, or easements.
- Relocation of points of access if approved by the appropriate road authority.
- Relocation of internal access and circulation.
- Relocation or rearrangement of parking areas.
- Reduction in the designated parking spaces, but not less than required under Article 15.00.
- Reorientation of landscaping.

APPLICATION REQUIREMENTS

Applications for a minor amendment must include a completed application form, a written description of the proposed amendment, suggested text for amendments to the conditional use permit regulations, and the \$50 non-refundable application fee.

ADDITIONAL CONSIDERATIONS

Major changes (and changes to plans located within the joint jurisdictional areas of Sioux Falls and Dell Rapids) to an approved conditional use permit shall follow the public hearing approval process in Section 19.05. Major changes may include but are not limited to major relocation or reorientation of buildings which have external impacts on adjacent property, reduction in landscaping, an increase in the provision of utilities or infrastructure demands, or an increase in sign height or sign size.
