FOR IMMEDIATE RELEASE: March 4, 2025

At the March 4, 2025, meeting of the Minnehaha County Commission, the board approved the issuance of a Request for Proposal (RFP) for a Campus Master Plan. As Minnehaha County continues to grow in population, so do the space needs for services. During the FY2025 budget process, funds were budgeted to conduct a Campus Master Plan to address the current and future needs of the Minnehaha County downtown campus.

The Minnehaha County campus has evolved over the past 130 years to serve the needs of a growing county, with past planning and construction that was made with a view toward the future. This planning has paid off with many original buildings still operational, due in part to our strong maintenance program. As we start to experience the need for more space, there is an opportunity to plan for the coming years as well as modernize many of our facilities.

The deadline for submission is 12:00 p.m. central time on April 14, 2025. The full RFP can be viewed at <https://www.minnehahacounty.gov/notices/biddersProposals/bidInfo/CampusMasterPlanDocuments.pdf>
